CHECK OUT THE BOY SCOUTS & THE BOY SCOUT WAY

Sung by the Oak Ridge Boys: Duane Allen, Richard Sterban, Joe Bonsall and William Lee Golden

Boy Scout Public Service Announcements for Radio Stations featuring the Oak Ridge Boys, the National Spokesmen for Scouting 1981-82. Each of these songs were on one side of a 45rpm record. I was a country music radio announcer at the time and had the opportunity to have all four of the Oaks in our studios and the Oaks agreed to sign both sides of two records. They were mounted to show both sides could be seen.

This is certainly a "One-Of-A-Kind" scouting collectable.
